1. **O** Love, our Moth-er, ev-er near, To Thee we turn from doubt and fear! In per-fect peace our thoughts a-bide; Our hearts now in this truth con-fide: Man is the child of God.

2. **O** Light, in Thy light we can see That man is ev-er one with Thee. In love our lives Thou dost en-fold, And now our wait-ing hopes be-hold That man is God's own child.

3. **O** joy that ev-er will re-main Midst seem-ing sor-row, hate, and pain, Our hearts to fill with this glad song That soars a-bove the mists of wrong: Man is the loved of Love.
